# LACCD & BuildLACCD Hosts Sustainable Future Career and Resource Fair

Los Angeles Community College District (LACCD) received a grant from the Los Angeles Department of Water and Power (LA DWP) to host a community engagement event within the Los Angeles Harbor College service area.

On December 7, 150 local high school students from local schools interested in Automotive, Stem, Engineering, Architecture and other similar career paths participated in the event. The goal was to inform the broader community of the steps LACCD, LA DWP and local cities are taking to reduce their carbon footprint.

**Community Partners included:** LA DWP, MEMA, CA DOJ, Long Beach Clean Cities, California Center for Climate Change Education at West LA College, Harbor College
